

NTU Mathematics Colloquium

演講者 : Nikolaos Zygouras (University of Warwick, UK)

講題 : 35 years of Directed Random Polymers

時間 : 2023年10月23日 (星期一) 14:00 - 15:00

地點 : 臺灣大學天數館 202 室

摘要 : Directed Random Polymers model the motion of a random walk in a random potential.

From its introduction into the mathematical community 35 years ago it has offered the ground for many interesting mathematical developments. In this talk I will review some of the milestones and point to some of the still tantalising open questions.
